PRINCIPAL

During the years that they attended Jefferson High School, the students are confident that there is one person to whom they can turn in times of distress, one person whose kindness and understanding has almost become a legend of Jefferson High School, this person being our principal, Dr. Paul Fisher.

PAUL FISHER

VICE-PRINCIPAL

Few people have endeared themselves to the girls of Jefferson, as has the present Girls' Vice-Principal, Mrs. Hazel Whedon.

Under the leadership of Mr. Arthur Farnham, Boys' Vice-Principal, the boys of Jefferson have become even more representative of the ideals for which they stand.
